Theme : On The Farm

Intro: M and N 13 and 14

Craft and Writing

Were back! This week we will be jumping right back into our printing practice. We will introduce M and N and 13 and 14.

Its farm week so of course we will be doing some crafts and worksheets about the farm.

Concept

Review , review, review after our week off! We will work on adding our new numbers 13 and 14 to our counting activities. The "teens" can sometimes be tricky for the students so we will really dive in to help them understand the concept.

We will also continue working on patterning with some farm animals.

Motor

Ball and Wand, Exercise, balance beam

Language Arts

This week we will be reading some fun stories about the farm. We will sing the good ole "Old Macdonald Had A Farm."

This week we will add M and N to our Amos song. I will introduce 2 new vocabulary words and we will also take a look at our phonics buckets.

We have been working a lot on breaking down words and counting syllables. We will also be doing sight word flash cards with our Taffy Apple words.

Notes

I hope everyone had a wonderful Thanksgiving holiday!

Friday Show and Tell: Farm or M/N item.
