

## Lockport Junior News

Weeks 16 & 17 November 27–December 8, 2023

### Families and Feelings

INTRODUCING: Ii, Jj, yellow, green, 9, 10

Proverb: Practice Makes Progress

#### LANGUAGE:

Each family is special and each family is unique! We love our families very much and appreciate them for everything they do. Over the next 2 weeks, our class will discuss who makes up our families by discussing each member in every family. As we learn about this topic, we will explore songs, books, flannel board stories, and role play other activities.

#### CONCEPT:

We will work on graphing over the next 2 weeks as the children graph their family members and their feelings. We will add the colors green and yellow to the shelf jobs and the numbers and letters that are being introduced. The children are continuing to work on number concept and number recognition. As always, we will discuss the weather and the new month of December!

#### CRAFT AND WRITING:

Our little artists will be quite busy throughout the week as we work hard on name tracing. We will also focus on tracing the letters Ii and Jj and some shapes! We will have time to work with play dough during the week and get our fingers moving as we strengthen our fine motor skills.

#### PARENT NOTES:

Star Student is Omari!

Don't forget to read the December newsletter on our website.

Double check your child's extra clothes and make sure they have long sleeves and pants with the weather changing.
