Safety and Halloween

INTRODUCING: Letters Uu, Vv, Ww

REVIEW: 1-20

LANGUAGE AND READING:

These are an important next two weeks as the children learn all about safety. We will discuss fire and police safety along with trick or treating safety. Please assist at home with your child's address and phone numbers. It is never too early to teach this. We will talk about stranger danger, dialing 911, what to do in case of an emergency, seat belt safety and role play manners as we prepare to trick or treat.

Halloween books, songs, sight words and reading stories will be done.

MATH AND SCIENCE CONCEPT:

Did you hear about our cow that we adopted? We will take virtual field trips to our cows farm to watch her grow. Ask your children all about Rosie!

The numbers 1-20 will be added to the shelf jobs. We will work on matching number words to the correct numeral. Simple addition will be reinforced.

CRAFT AND WRITING:

Many art and craft projects will be done this week for Halloween. The children will also write about their Halloween costumes. The numbers 1- 20 will be written and the letters Uu, Vv and Ww, will also be written in correct formation.

PARENT NOTES:

Mrs. Ashley will be on vacation the week of October 30.

On October 31, we will have a Halloween party and go trunk or treating.

Don't forget to send your children with appropriate outside jackets. We try to go out at least once a day.
