

Lockport Nursery News

Weeks 11 & 12 10/23–11/3/23

Halloween

INTRODUCING: Bb, orange, black

LANGUAGE:

The next 2 weeks are going to be so much fun. The children will have a spooktacular time reading, singing and learning about Halloween. We have flannel board stories and pictures to look at to enhance the topic. The letter Bb will also be introduced. We will learn what sound it makes, words that start with it and add it to our phonics song.

CONCEPT:

Pumpkin projects will be done in Concept for the next 2 weeks. The children will have science projects dealing with pumpkins. We will also explore the inside of pumpkins. We will learn the parts of the pumpkin and other characteristics.

CRAFT AND WRITING:

We will use the colors orange and black a lot this week as the children create Halloween projects. The children will get to experience finger paint and we may even play with orange and black play dough.

PARENT NOTES:

On Tuesday, October 31 we will have a Halloween party for the children and trunk or treat.

Please be sure to dress your children in enough layers to go outside. We go out in the morning sometimes when it is still chilly.
