

Lockport Nursery Newsletter

Week 16 & 17 November 27- December 8, 2023

Families

INTRODUCING: Numbers 3 & 4, Purple and Brown

REVIEW: Aa, Bb, circle, square, rectangle, triangle, 1, 2, red, blue, yellow, green, orange, black

LANGUAGE:

Families are unique, families are important, families are special, and we love the people who make up our family tree! This week our class will learn about different types of families and we will discuss our own families. We will reinforce this topic by singing songs and learning flannel board stories about families.

CONCEPT:

We will add the numbers 3 & 4 to the jobs that are on the shelves. We have been working on puzzles with the children and they are doing a great job. We will continue to work on our fine motor skills and construct houses using a variety of our favorite blocks.

CRAFT AND WRITING:

We will work on the numbers 3 & 4 papers with the children. We have some collage and decorating work to do on our newly introduced numbers. Our new colors purple and brown will be explored during art. We will enjoy finger-painting using these new colors.

PARENT NOTES:

Please send your children with warm outside clothing. We will still go outside, weather permitting.
