Weeks 16 & 17 November 27-December 8, 2023

Family and Celebrations Around the World

INTRODUCING: Oo, Pp, Qq, Rr, star, pentagon, 15, 16

Proverb: Practice Makes Progress

LANGUAGE:

We are going to be discussing our families and traditions that our families have. We will learn about all different types of families. We are going to travel around the world as well. We will learn about the celebrations done in other countries and other family traditions from different countries especially for the holidays.

CONCEPT:

We are going to have new jobs to add to the shelves. The children will get to enjoy new letters, numbers, shapes and theme development jobs. We will change the month to December and discuss the weather along with the upcoming new season. We will also estimate and graph how many people are in our family.

CRAFT AND WRITING:

We will work on our fine motor as the children create Christmas crafts from around the world. As always, the children will practice printing their names and work on readiness papers.

PARENT NOTES:

Double check your child's back pack to see if they have extra winter clothes in there in case of an accident.

Please check out the December newsletter on our website.

Don't forget to check and empty your child's folder daily.
