

Two's News

Week 13 Nov. 6-10 Theme: Special Friends

Bits of Intelligence: Birds

Concept

This week we will review big/little as well as long/short with some of our favorite Disney characters. The children will build big and little homes with blocks for our "friends". The lego table will help the children learn to work together to build towers and sort colors. A game of block bowling will help us review all of our concepts. Our special friends will also help us sort shapes, match pictures and learn all about big, medium and little.

Happy Birthday to Anthony
Kirschner on November 10th

Language Arts

Ms. Stephanie will incorporate special friends into class time. Some include...Elmo, Buzz Lightyear and Mickey Mouse. We have an activity planned that requires the children to use their "listening ears". We will play musical instruments to some of our favorite Disney tunes. Our special friends will also help us to review our letters Aa and Bb.

Picture Days

Nov. 9th and 10th

If your child does not attend on these days you may bring them by at 9:00 to have their photo taken.

Special THANKS to the Dixon family for the wagon donation!!!!

Craft and Writing

Mrs. Nicole will have many special "friends" in our room. Some of our favorites Disney friends will be colored and crafted. We will also be reviewing letters Aa and Bb.

Motor

We will be jumping on the mat aiming for certain colors. We will also practice our action words, Run and Jump. The children will get their legs moving and marching
