

Week 16

Theme: Cooking
and Baking

Two's News

November 27 - December 1

Introductions:
Brown and Purple
Bits of Intelligence:
Birds

Language Arts

The countdown to Christmas has begun. We have started to introduce our Christmas songs to the children. Our Brown Bear flannel board will help reinforce our colors. Ms. Stephanie's picture file will come to life this week as we borrow a few special things from our school kitchen. We will also play with kitchen toys and use our recipe cards to "cook" up some treats.

Concept

We will review size seriation by sorting small, medium, and large measuring cups. Sorting colors will help us learn our two new colors, brown & purple. We will count vegetables and make a shape pizza. The children will see what vegetables will sink or float and compare and contrast a spoon vs. a soup ladle.

Special Announcements

*Christmas Grab Bag: Santa will be bringing a grab bag gift for each student to be distributed during our Christmas parties. The cost of the grab bag is \$5.00

* Please make sure your child has a **labeled** winter coat, hats, and gloves as we will continue to go outside as long as the temperature is 20° or warmer.

Craft and Writing

We will have brown and purple everywhere by the end of the week. We have really been reinforcing manners at snack/mealtimes, eating with a spoon and talking with an empty mouth. The children are sure to have fun paint stamping with vegetables and printmaking with kitchen utensils.

Motor

We will bring out the balance beam this week. We will focus on body parts and ball and wand skills.

Happy 3rd Birthday to
Donovan and Vincent
