

# Pre-K Press

**Weeks 20 and 21: January 1-12, 2024 (We will be closed on Monday, January 1)  
Theme: Winter**

## Language Arts:

We will be very, very busy with our new letters and reading story. Building words, sounding words, building sentences, word families, and high frequency words, will also be introduced. Our discussions will be on winter.

**\*If possible, please provide us with Grandma and/or Grandpa's name and address, so we can send them something special.**

## Concept:

We will be discussing winter and what changes have taken place, as well as why these changes have happened. We have already brought snow this winter! In addition to our winter talk, the children will also

be introduced to computer numbers and letters. The golden beads for the numbers 1-10 will be introduced as well, to help the children begin to learn place value. The children are doing very well with their numbers, and we look forward to completing our number line shortly!

## Motor:

The children will be engaged in a variety of activities, both inside and out, weather permitting. When the children are outside, we will note the changes that winter has brought to us! We'll bring out some of our favorites indoors, including the balance beam.

## Craft and Writing:

We will work on printing our new letters and numbers

this week. We'll also have readiness papers about rhyming, and work on a wintry craft!
