Concept

We're moving on to new numbers this week! We are up to recognizing 15 and 16. Daily we are using flash-cards to practice recognizing our numbers. The kids are doing great with that game! I will be doing some activities with snowflakes to practice counting. We will also do some patterning with the snowflakes. With our patterning we will also talk about size seriation.

I will be pulling out our winter lacing cards for a fun review on that skill.

Language Arts

This week we will be reading some fun winter and Christmas stories. We will introduce letters O and P and add them to our Amos song.

I will pull out our new phonics baskets to talk about the sounds of the new letters. We always enjoy this activity. Keep practicing at home as well!

We are also working hard on our holiday program music for our show on Friday at 10:30!
