Weeks 18 & 19

12/11—12/22/2023

Christmas!

We will be reviewing for the next couple of weeks on all the concepts we have learned so far throughout the year.

Nothing new will be introduced until January.

### LANGUAGE AND READING:

The children will discuss and learn all about Christmas. We will sing songs, read books and learn about fun traditions that some families may do. We will also travel around the world to different countries to learn of their traditions.

We will review the entire alphabet. This will include upper case, lower case, phonetic sounds and words that start with each letter. Word families, rhyming words and CVC words will also be reviewed.

### MATH AND SCIENCE CONCEPT:

We will play number games as we review the numbers we have learned. We will count to 100, by 2's, 5's and 10's. We will work on telling time and putting numbers in the correct order. We will touch base on adding and in January, start simple subtraction.

### CRAFT AND WRITING:

Many Christmas projects, writing activities and crafts will be completed. The children will work on proper printing of their numbers and letters. We will also work hard on following multiple directions as we construct some Christmas projects.

### PARENT NOTES:

Christmas Spirit week is December 18—22.

Don't forget the \$7 grab bag fee for Santa's gift.

Christmas Party is on Friday, December 22.

We are closed on Monday, 12/25, for Christmas Day.

We are closed on Monday, 1/1 for New Year's Day.
