Weeks 18 & 19 Dec. 11-22, 2023

Christmas!

We will be reviewing all of the concepts we have learned so far this school year. New introductions will be done in January.

LANGUAGE:

Ring, ring, ring the bells! Ring them loud and clear. Tell the children everywhere that Christmas time is here! For the next 2 weeks the children will learn all about Christmas. We will read books, sing songs and work on flannel board stories. The children will learn about Santa and his reindeer, along with other Christmas characters and traditions.

We will play review games and work on the name game.

CONCEPT:

The children are doing such a good job in Concept. They are working individually on the “jobs” and are learning so much. We are going to add Christmas themed jobs to the shelves.

We will continue the daily calendar and weather review. Ask your child to recite the days of the week and the months of the year.

Lastly, we have candy cane science activities and experiments to enjoy!

CRAFT AND WRITING:

We will be working hard in Santa’s workshop for the next 2 weeks as we make many Christmas projects! We may even have time to make a special gift for our mom and dad! Watch for these gifts to come home but NOT to be opened until Christmas day!

We will continue printing our names, numbers and letters.
