Review

**Language:**

This week is about staying healthy. The children will learn how to cover their mouths when they cough and the importance of handwashing. We will also be learning some fun finger plays which include: *Night Night Rhyme*, *Good Foods*, and *Good Exercise*.

**Concept**

During our concept time we will be reviewing everything we have learned so far. The children will be viewing different pictures of healthy foods. They will also be sorting which foods are healthy and which are not.

**Craft and Writing:**

The children will get creative and make several art projects that go along with our theme. The children will also be working on their fine motor skills as they have fun with playdoh.

**Motor:**

Let's get moving and do some fun exercise! The children will be doing a variety of motor activities to help keep our bodies healthy. We will be having fun dancing to many songs including one of our favorites: *Shake your Sillies Out*. The children will be going up and down the stair steps and having fun crawling through the tunnel.
