Theme: Transportation

Introductions: Review

LANGUAGE ARTS: Transportation finger plays will reinforce our theme. Rhythm sticks will enhance our listening activity and our listening skills. If you have any books to enhance our theme discussions, please feel free to bring them in, but be sure to label them with your child's first and last name.

CRAFT AND WRITING: We will color and paint several transportation pictures. A transportation collage will be created as well as art projects to reinforce our theme of transportation.

CONCEPT: Transportation will highlight our sorting and size seriation activities. We will use cars, trucks, planes, and boats, grouping them by how they get us from one place to another and then by size.

MOTOR: We will pretend to be dump trucks transporting bean bags on our backs while crawling on our hands and knees. Our tumbling mat and rocking boat will also help keep our bodies moving and strong.

SONG OF THE WEEK

"Helping Daddy Drive"

(Sung to the tune: "Twinkle, Twinkle, Little Star")

Unlock the car door, climb inside.
I get to help my daddy drive.
Fasten my seat belt, put in the key.
Start the engine, one, two, three.
Turn the corner, step on the gas,
The road is clear, so we can pass.
