Theme : Community Helpers Doctors/Nurses

Intro: Qq and Rr 17 and 18

## Craft and Writing

We're moving to the next letters and numbers to practice printing. Qq and Rr are the letters, and 17 and 18 are our new numbers to practice. We will continue using our name printing practice with our dry erase boards. I have introduced the class to their last names.

Friday we will celebrate our 100th day of school with a special craft!

## Concept

This week I am going to introduce our clocks! We will discuss the hands on the clocks and learn a little about telling time. As we introduce number 17 and 18, we will add a third dice to our dice game. The class has been doing a great job counting the dots and saying the numbers.

This week is all about the number 100. We will be doing a lot of sorting and counting up to 100 with different items.

## Motor

Music and movement, free play, bean bag boogie
