

News at Noonan in Mrs. Laura's VPK Class

What's happening this week?

1/29-2/2

Theme : Community Helpers and Careers

Intro: Qq and Rr 17 and 18

Concept

We will be continuing our introduction to clocks and telling time. This is always a really fun learning experience for the class. Now that we have hit our 100 days of school we will count every day all the way to 100 using 1's, 5's and 10's. We have been working hard on our counting skills!

We are working hard on number recognition. Those "teen" numbers can be very tricky at times so we will practice, practice, practice to get better every day!

Craft and Writing

This week in craft and writing we will continue working on letters Q and R and we numbers 17 and 18. I have worksheets that will help practice learning each.

We will be discussing our own career dreams this week and we will be doing a craft about "What I want to be when I grow up." I also have an activity matching careers to the tools the jobs need.

Motor

Music and movement, free play, bean bag boogie

Notes

2/2- Career Day

2/9 - Super Bowl Friday

**Parent Teacher conference
info coming soon!**

Language Arts

We are continuing our review of our new letters this week. I have a game to play with the class to match objects in photos with their beginning sounds letters. Last week we worked hard on rhyming words. We will continue this week with a matching activity. The class is having fun with this concept!

**Show and Tell Friday: Careers
or Q/R Items**
