

Lockport Pre-Kindergarten Newsletter

Weeks 23 & 24 January 15–26, 2024

Healthy Children

INTRODUCING: Ww
Xx
19
20

LANGUAGE:

During the next 2 weeks, we will learn all about how to be healthy. We will discuss healthy eating habits, exercising, and read stories on other ways to keep ourselves healthy. The children have been working hard on their reading stories. We will introduce a new one called, "See Me". Lastly, the children will learn about 2 new manners!

CONCEPT:

Which foods are healthy for us and which are unhealthy? The children will sort them and find out! Graphing activities will be done and the numbers 19 & 20 will be added to the concept shelves.

During science, the children will watch as germs run away when soap comes near!

CRAFT AND WRITING:

We will learn to print the letters Ww and Xx and the numbers 19 & 20. We will work on name papers by printing our last names. Using our creative minds, the children will create their own healthy plate of food to eat. We will also germ paint!!

PARENT NOTES:

We will occasionally go outside to play in the snow. Please bring your child's snow gear on a regular basis so they will not miss out on the fun!

We will celebrate and discuss Dr. Martin Luther King Day on Monday, January 15. We are open.

Please register for Kindergarten and summer camp with us if you haven't already.
