

Pre-K Update

JAN. 8-12 TMEME: HEALTHY KIDS

Language Arts: Chef Combo will visit the Language room this week to discuss healthy and nutritious foods. Pictures of such foods will help the children identify which foods are good for us. We will review our _at word family and will introduce the _ad family.

Concept: We will begin learning place value this week. New items to explore and discuss have been added to the mystery bag. Activities relating to our topic will include healthy food puzzles and a five senses activity.

Craft and Writing: The letters Uu & Vv will be reinforced. The children will learn about nutritious foods as they complete a paper about healthy vs. unhealthy food choices.

Motor: This week brings lots of ball and wand use! The children will also practice forward jumping, marking each child's jump with tape to see who jumped the farthest. An obstacle course and a game of musical chairs will also add to the fun.

We are 100 days smarter! We are getting ready to celebrate our 100th day of school at the end of the week. Ms. Kailey and Ms. Christine have a day filled with many activities that highlight the number 100! How far will 100 steps take us? What does 100 drops of water look like? These questions and more will be answered on Friday, Jan. 12th.

2024

Weekly Introductions

Uu & Vv

Fable: The Birds, The Beasts and the Bat

Moral: Choose sides for what you believe in, not for what you might win.

Expressive Vocabulary

Unkempt: not neat or tidy; messy

Vacate: to cease to occupy or hold; give up

Reminder

If there is snow on the ground, daycare children should bring in a pair of snow pants and boots along with their hats and gloves. Preschool children will be notified when to bring their things in for morning outdoor play.
