

Two's News

Introductions: **Pink & White**

Bits of Intelligence: **Mammals**

January 15-19

Theme: Careers

Week 23

Language Arts – What do you want to be when you're older? A fireman, policeman, teacher, doctor? The children will be learning all about careers this week. The children will have an opportunity to pretend to be different community helpers. Ms. Stephanie will introduce a favorite fingerplay "The Barber". She will also talk about what type of tools are used in different occupations.

Concept – Ms. Leah will have a room full of construction workers as she has the children build with blocks. As Ms. Leah discusses different careers she will ask the children to match real objects to corresponding pictures. She also has a few shelf jobs and puzzles that emphasize all different types of careers.

Craft and Writing – Make room on the refrigerator! Many crafts and papers will come home featuring different careers that the children are learning about. The children will both dot paint and watercolor paint this week. We will teach the class how to fringe cut paper. We will also practice proper pencil use with the children.

Motor – We will combine music with motor and create a marching band. The children will play "Simon Says" to continue learning body parts such as shoulders, knees and elbows. Daycare students will need to bring snowpants, boots, hat and mittens if we go outside in the afternoon. Half day parents will be notified when to send these items in. Please label all items.

It's a New Year
In UNDERWEAR!!!!
