

PRE-K UPDATE

JAN. 15-19 THEME: HEALTHY KIDS/ DENTIST

Registration Information

Don't forget to request registration forms. 50% off Fall registration fees if you register by February 15th. Don't miss out!!

LANGUAGE ARTS

Ms. Kailey will continue to discuss the word families -at and -ad this week. Chef Combo will assist us with healthy eating choices, dropping by at lunch daily to make sure we have a healthy plate. Class discussion will be about the dentist this week, discussing the importance of brushing, flossing and visiting the dentist regularly.

MOTOR

During Motor time we will review body parts using different games. We will review our letters, numbers, shapes and colors while throwing bean bags at our review chart. We will also add stepping blocks to our obstacle course. Drop the toothbrush (like clothespin drop) will surely test eye-hand coordination.

CRAFT AND WRITING

Ms. Christine will use printing papers to introduce the letters Ww and Xx. The children will continue printing their names on all of their papers daily. If you are practicing at home, please reinforce the only the first letter is capital, the rest is lowercase.

CONCEPT

This week we will play some great games of number bingo and estimate various objects. To keep on track with our theme, we will be talking about the importance of brushing our teeth. Ms. Christine will do an experiment using eggs to demonstrate how different foods can stain our teeth. Our new numbers 19 and 20 will be added to our concept shelf jobs

What's New This Week
