

Toddler Times

Jan. 15-19 Week 23

Theme: Dd is for Dinosaur

Introduce: Dd

We're going to have a ROARING good time as we learn, sing and play dinos this week! Laurie Berkner's "We Are The Dinosaurs" is a toddler favorite that will be enjoyed for some gross motor fun along with "Baby T-Rex" by Pinkfong and "Dinosaur Stomp" by Mother Goose Club. Circle time songs and flannel board stories will include "I'm A Little Dinosaur", "5 Enormous Dinosaurs", "Dino-Pokey" and "Dinosaur Turn Around". Dinosaur counting along with a size seriation activity for some hands on math fun will keep our brains busy. A dinosaur theme table will provide plenty of opportunity for our little learners to explore various dino's along with a mountain for our dino's to climb. An exciting erupting volcano is sure to bring some wonder to our science class. A feed the dino game will help reinforce all concepts introduced. A "D is for Dinosaur" craft will be sent home to decorate your fridge this week.

Happy 2nd Birthday Lilly!!!
