are scheduled for Monday and
Tuesday, February 19 & 20.**

Valentine's Day Party

Feb. 14th

**If you plan to send valentines, please
label each envelope "friend". (16
per student is sufficient)**

Language Arts

In Language class we will discuss our theme of community helpers. We will discuss the different jobs held in our community, such as postal carrier, librarian, police officer, firefighter and more. Story time and puppet play will help enhance our theme.

Craft and Writing

Readiness papers will require the children to cut and paste pictures in order to complete a pattern. Yy and Zz printing papers will be added this week. A fun postal carrier review game will add to our fun. Ms. Christine has a few community helpers papers planned to support our theme.

Concept

This week the children are learning about estimation. They will observe and compare two different piles of objects to see which pile has more or less. We will work on spatial relations (over, under, next to, etc).

We continue to work on place value, focusing on the concept of ones and tens.

Motor

We will have a great time participating in a path activity using cardboard blocks and a jump rope. Those muscles will get a workout as the children learn to do exercises. The children will wear fireman and policeman hats as they compete in relay races.

Happy 5th Birthday Emmett Sullivan!!
