Week 25 Jan. 29-Feb. 2 Theme: A Splash of Color

Introductions: Purple

******Please send you child in play clothes as this will be an extra messy week.******

We will have plenty of painting fun as we begin to explore what happens when we mix colors together. Sensory bags will give us a mess-free hands on approach, as we mix red and blue together to make our new color PURPLE! Purple finger paint will also be enjoyed as we do get our hands messy! Marble painting will also show us cause and effect as we roll balls in a large tray to mix the colors red, blue and yellow. A very fun and messy activity called Hammer Painting will be introduced this week.

To shake things up a bit the children will definitely enjoy playing with the parachute! Colorful balls will pop up and fly as we shake it up and down. Pete the Cat will get our feet moving as we sing and dance to "I Love My White Shoes". We continue to learn and label our colors with songs and flannel board stories such as "I Know the Colors for Painting Fun", "Make a Rainbow" and "Little Mouse's Colorful House". A crayon sorting game will help us practice this skill.

Valentine's Day – Our parties will be held on Monday and Wednesday, February 14th. If you would like to send valentines for your child's class you can send 10 labeled "My Friend". Please adhere to our food policy if sending in food treats. (NO CANDY)
