Weeks 26-28: February 12- March 1, 2024 Theme: Valentine's Day/Dinosaurs

Language Arts:

We will celebrate these weeks with fun Valentine's Day stories, poems, and finger plays. Love is in the air! On top of the holiday theme, we will discuss dinosaurs! We will enjoy dinosaur themed books, including *How Do Dinosaurs Say Happy Birthday?*

Concept:

Dino and holiday themed jobs will be added to the classroom shelves. We will be counting the number of dinosaur steps and stomps we can do. The children will be working at the water table and using cups, bowls, and funnels to practice pouring, filling, and emptying from one thing to another.

Motor:

We will get outside when

we can, but if the winter weather keeps us indoors, the children will stay active using the balance beam, scooters, and ball and wand! We will be using our bodies to move to *We Are the Dinosaurs*. Hope your brought your dinosaur feet.

Craft and Writing:

Dinosaur papers and projects will help us learn this topic. We'll have using a variety of materials. We will be painting dinosaur eggs and making dino tracks with paint. The month of February, we will be celebrating love, kindness, friendship, and Valentine's Day!
