## Language

This week in Language our students will learn about **COLORS** in some very special ways! Activities such as "Build a Rainbow," "Feed the Caterpillar," and "Color Hats" will be introduced. The *Puppet Plays* "Bumble Bee, Bumble Bee," "Carl the Clown," and the *Finger Play* "Mouse Paint" will be practiced. As well as the acting out of the *Flannel Board Stories* "Color Cats" and "Color Balloons." *Story Books* this week will include "Bear Sees Colors," "Go Away Big Green Monster!," and "My Many Colored Days."

## Concept

In Concept class this week students will review *Sorting* using "Color Sorting Mats." A "Brown Bear, Brown Bear" *Color Matching* game and a "Color Bear" *Stacking* activity will be introduced. *Big and Little* will be practiced this week during a "Color Hand Sort" and buildings will be built using colored duplo blocks in the *Block Center*. *One to One Correspondence* will be reviewed while colored dogs match to their dog houses and colored frogs match to their lily pads. A "What Makes a Rainbow?" *Color Stacking* activity will be played and "Rainbow Water" will be made during a *Science Experiment!* A color Sorting Sensory Bin will also be introduced this week.
