

# News at Noonan in Mrs. Laura's VPK Class

**What's happening this week?**

**2/12-2/16**

Theme : Valentine's Day

Intro: Ss and Tt 19/20

## Craft and Writing

Love is in the air this week! We are going to spend some time being crafty for the Valentines holiday! We will be using the scissors, glue, and even some paint this week.

I'm looking forward to seeing the crafty boxes coming in for our Valentine's Party day!

Of course, this week we will need a little pencil printing practice. We will continue work on letters S and T.

## Concept

This week in concept, we will be counting hearts and putting numbers in numerical order 1-20. We will also work on our size seriation with a few Valentine related shape cut outs. The children have to practice putting things in order smallest to biggest.

I will continue work on our clocks. Last weeks lesson was a lot of fun and the class really enjoyed some hands on fun with their own clocks.

We will finish the week with some puzzle time.

## Motor

Balance, body parts, ball and wand

## Notes

**2/14 Valentine's Day Party**

**11 Students.**

**No Candy please**

**2/19 and 2/20 Conference**

**Days NO VPK**

## Language Arts

I have some fun Valentine's Day stories to read this week in class. We will also be working on our phonics buckets with the letters S and T.

The students have been working hard on syllables, rhyming, and compound words. I will also introduce three letter CVC words. These are words that the children will be able to read by saying the sounds and blending them together.

**Show and Tell: Valentines Day or  
S and T**
