Weeks 28 & 29 Feb. 19—March 1, 2024

Going to the Zoo

INTRODUCING: Oo & Pp
STAR STUDENT: Deacon
HAPPY BIRTHDAY: Omari will be turning 4!

LANGUAGE:

Calling all zoo keepers! Can you help us discover and name animals we see in the zoo? We will look closely at our picture files of these wild animals and learn some fun facts about each. We will compare and contrast different animals in group discussions. Our featured song for the week is, "I Went to the Zoo!"

The letters Oo and Pp will be introduced.

We will learn the fable: The Bat, Birds and the Beasts

CONCEPT:

Do they have fur? Do they breathe air? Do they have a skeleton? Do they lay eggs or have babies? These are just some of the questions we will ask this week as we teach the difference between what a mammal is and what is not. We will look at different habitats. There will be no monkeying around this week with all that we have to learn.

CRAFT AND WRITING:

Our readiness papers for this week will be with the letters Oo and Pp. We will work on printing these letters and phonetic papers. Of course, the children will get to create many crafts of different zoo animals. We will work on a zoo collage and even watercolor.

PARENT NOTES:

Conferences will be held on Monday. Times have been sent home. We look forward to discussing your child's progress with you.

As you know, both the summer and fall sessions are now open to the public. Be sure your child is signed up and their spot is reserved before it gets taken.

Thank you to those that posted their child's picture with the back drop to help promote our school.
