

## Lockport Kindergarten News

Week 27 February 12–16, 2024

### Valentine's Day/Friendship

We are going to do a thorough review this week on all that we have learned so far this year!

#### LANGUAGE AND READING:

During language this week, the children will get to express their positive feelings for their families and friends. We will read many books about Valentine's Day and friends. Bingo will be played and a fun matching upper case to lower case heart game. Each student will get a chance to make Valentine words out of the sensory bin. And lastly, we will sing some songs like, "Little Black Box".

#### MATH AND SCIENCE CONCEPT:

We will see how many Valentine hearts we can count and see if we can find the missing number. We will work on jobs off the shelf and continue to write our numbers for the calendar.

In science, the children will get to make heart tattoos with soap, water and expo markers! We can't wait to see if this works!

#### CRAFT AND WRITING:

We will focus on printing correctly this week by taking our time. The children will get a chance to write about what they love. Art and craft time will be enjoyed as the children get to make some love bugs. We will also see what we can make with a heart shape!

#### PARENT NOTES:

Valentine's Day party is on Wednesday. Please don't forget to bring in your child's box and cards. There are a total of 7 in the class.

Please take a picture of your child by the front backdrop and post it on whatever social media of your choosing.

Open registration starts on Thursday to the public. Register now to guarantee your child's spot.
