### Week 29 Community and Careers

February 26—March 1, 2024

**INTRODUCING:** Fractions  
\$1, \$5, \$10

#### **LANGUAGE AND READING:**

This is such a fun and important week for the children. We are going to talk about what is in our community. We will discuss how we need so many different careers to make our community a better place. The children will also role play what they would like to be when they grow up.

Blend sounds, sc,sk,st,sm, and sn will be introduced. We will try to think of as many words as possible to start with these sounds.

#### **MATH AND SCIENCE CONCEPT:**

We have a very busy week in math. The children will touch base on fractions and money. We have jobs from the concept shelves that will help us learn. We will also use the cash register for learning about money. We will continue to identify the coins we have learned.

Science: As we explore the community, we will talk about how the different ways to keep our community beautiful.

#### **CRAFT AND WRITING:**

There will be plenty of writing this week. We will write the room, label the neighborhood and write about what we want to be when we grow up.

During art, we will draw/create ourselves as grown ups. We will also create a neighborhood of our own.

#### **PARENT NOTES:**

Thank you for taking time out of your day for conferences. It was a pleasure talking to you.

Be on the look out for information on dressing up for Career Day.

Also, leprechaun trap information will be sent home soon too.
