

Lockport Nursery News

Weeks 28 & 29 Feb. 19—March 1, 2024

Dinosaurs

INTRODUCING: Come and Go

LANGUAGE:

We are the dinosaurs marching, marching. We are the dinosaurs, what do you think of that?! The next two weeks, we will travel to prehistoric times as we learn all about dinosaurs! We will role play by growling and pretending to be dinosaurs. As always, we have many books and flannel board stories to enhance the discussion.

The words come and go will be added to our action word wall.

CONCEPT:

Where are the dinosaurs now? We will learn some BIG words this week like extinct and paleontologist. We will count dinosaur steps and see how big a dinosaur's foot print is.

During science, the children will erupt a volcano. We will use baking soda and vinegar to see the reaction it creates.

CRAFT AND WRITING:

Many crafts will be done for the next 2 weeks. We will make some fossils out of clay and dinosaur bones. The children will create a dinosaur using their hand print. Lastly, we will make masks of different types of dinosaurs for the children to wear.

PARENT NOTES:

Conferences will be held on Monday. Times have been sent home. We look forward to discussing your child's progress with you.

As you know, both the summer and fall sessions are now open to the public. Be sure your child is signed up and their spot is reserved before it gets taken.

Thank you to those that posted their child's picture with the back drop to help promote our school.
