

## Lockport Pre-kindergarten Newsletter

Weeks 25 & 26 1/29—2/9/24

Where we live/Community helpers

**INTRODUCING:** counting by 10's

Story #5 (I, can, run, jump, and)

### **LANGUAGE:**

Our class will be discussing our community and those who work, live and play in it. The children will have an opportunity to discuss what they would like to be when they grow up. We will be asking the children what and/or where their parents work as well. Does your child know what you do?

The children are doing well with their reading stories. We will introduce a new one with the words; I, can, jump, run, and.

### **CONCEPT:**

We will count by 10's every day for the next few weeks. We will also continue to learn the Golden Beads (1's, 10's 100's).

We will have 2 graphing activities for the children to do. One will be with careers and the other will be for Ground Hog day.

Lastly, the children will compare and contrast different items.

### **CRAFT AND WRITING:**

Our scissor skills will be put to the test over the next 2 weeks. We are working hard to strengthen our fine motor skills by cutting on the line.

We will enjoy some craft projects by creating a mail truck and other community helpers. The children will make a booklet pertaining to where we live.

We will start on some Valentines projects to be hung in the room for decoration.

### **PARENT NOTES:**

Happy birthday to Benny!

Ground hog day is Friday, 2/2. We hope for an early spring.

We are getting full for Kindergarten. Please register soon if you want your child to attend our program.

On Thursday, 2/8, it is our Career Day! Please have your child dress like what they want to be when they get older.
