Week 27 February 12-16, 2024

### Valentine's Day, Love and Friendship

**INTRODUCING:** Counting by 10's  
Heart

#### **LANGUAGE:**

We will be discussing love and what it means to be a good friend. We have many songs and books to help move our discussion along. One of our favorites to read is Crankenstein's Valentine. We also will discuss how to be a bucket filler.

As always, the children will review all their story words and 'A' is for Amos song.

#### **CONCEPT:**

The children are going to get a lot of time working off the concept shelves. They will have new heart/Valentine jobs to learn. We also have a group activity game to play called pass the message. We will pass a secret message to show the love and kindness in our room!

We will count to 100 and count by 10's every day.

#### **CRAFT AND WRITING:**

We have some cute Valentine's projects on display, but we will be working on more over the next week. We will put our cutting skills to the test over the week as we continue to practice these fine motor skills.
