

Lockport Pre-Kindergarten Newsletter

Week #29 Ocean

February 26 to March 1, 2024

REVIEWING: Stories 1—6

Taffy, Apple, Run, run, Jump, jump, String, Bean, Come, and, see, Missy, Manners, me, I, can, Mother, Father, Hop, hop

LANGUAGE AND READING:

This week's topic is all about sea creatures and fish. The children will enjoy listening and looking at many fish books that we have. We are also going to focus on our reading stories and words from these stories. If you would like to help your child, make some flash cards with the following words on them and practice at home.

CONCEPT:

This week we will play a game called "What's Missing?". There will be several objects placed in front of the group. The children will close their eyes and one object will be removed. While taking turns, we will see if the children can identify what is missing. We will continue to review the numbers 1—20 and start simple addition. Lastly, we will add a new job of building reading stories.

CRAFT AND WRITING:

We will have a lot of fun making some sea creatures for our crafts. Readiness papers will help us review the letters, numbers, and shapes that we have learned so far this school year.

PARENT NOTES:

We want to thank everyone for taking time out of your day to discuss your child's progress. We really enjoyed talking with you.

We are in the final stretch of the school year, which means your children will be in kindergarten before you know it! It is important that you allow them to do things on their own (like putting their coat and shoes on). We want them to be confident in their abilities next year.
