Week #30 3/4 to 3/8/2024

Dr. Seuss

INTRODUCING: Fable # 9 The Birds, The Beasts and the Bat

LANGUAGE AND READING:

This will be a fun week for sure as we learn and read Dr. Seuss stories! Each day, we will read a different story written by Dr. Seuss. We will talk about rhyming words and discuss some of the fictional characters he uses in his books.

The children will learn a new fable and continue to practice phonetic sounds. We will also introduce some CVC words!

CONCEPT:

We have so many new jobs to add to the concept shelves for Dr. Seuss week. We have a Cat in the Hat sensory fishbowl game to learn. We will label body parts to the Cat in the Hat and a Dr. Seuss puzzle to complete.

During science, we will have fun doing a fizzy color experiment.

CRAFT AND WRITING:

We will create many Dr. Seuss projects. Our craft projects will relate to the book that we read in language. Some of these projects include creating our own socks from the book Fox in Socks. We may even create truffula trees from the book The Lorax.

PARENT NOTES:

We are celebrating Brooklynne's birthday on March 4. Happy birthday!!

Please let us know if your child is attending Spring Break.

We are offering Soccer Shots here at Bobbie Noonan's. If you want your child to enroll, please sign up by scanning the Soccer Shot bar code by the sign in sheets in the foyer. The session runs from 3/21—5/23.
