

Two's News

Week 27 Feb. 12-16

Topic: Dinosaurs/Valentine's Day

Bits of Intelligence: Musical Instruments
Introductions: Heart and Star

Language Arts: Watch out for dinosaurs as you enter Ms. Stephanie's room. They'll be all over as we pretend to be dinosaurs of long ago. She has fun songs she can't wait to share with the children. Her favorite is called "We Are the Dinosaurs". If any of the children have dinosaur books they would like to share with the class please feel free to do so. The children will also enjoy dinosaur dress up and puppets.

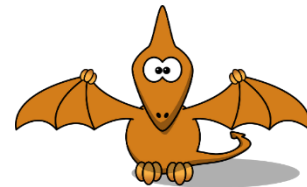

Concept: The children are having a roaring good time exploring all of the different dinosaurs. During group time the class will work on pairing up tall, medium and short dinosaurs with corresponding palm trees. We will also complete a group dinosaur puzzle.

Craft and Writing: Art class has plenty in store this week. Chalk, mosaic and sand will be enjoyed. Dinosaur tracks, stickers and cookie cutters shaped like dinosaurs will be lots of fun. A special valentine craft is also in the making.

Motor: Stomp! Stomp! Stomp! The children will love marching and stomping around the room to the song "We Are the Dinosaurs".

Parent Conferences

February 19th & 20th

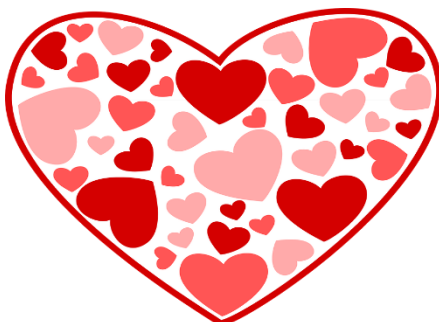

Registration is now open to the public. Have you secured your prop for summer and fall?

Valentine Party

February 14th

Please label each valentine to "friend".
10 valentines are perfect.

♥ HAPPY
Valentine's
DAY ♥
