

Pre-K Update

February 12-16 Week 27

Topic: Valentine's Day

Language Arts: This week Ms. Kailey's room will be full of heart themed activities. We will work on alphabetical order by taking away hearts with letters on them and guessing which letter is missing. We will read How Spider Saved Valentine's Day and do an action song "I Will be Your Valentine". The new -an word family will be introduced.

We will also be discussing the different ways we can demonstrate kindness.

Craft and Writing Review papers will keep the kids busy practicing our letters from Aa to Zz. We will be making a fun valentine's craft to help decorate for our valentine's parties.

Concept: The children will participate in some compare and contrast activities. We will enjoy an exciting Valentine experiment with candy hearts. Heart shaped sponges will add to the fun in the water table.

Motor: Some heart stomp fun will be had by all as we play a game that will have hearts with numbers on them scattered on the floor. We will dance around until the music stops, find a heart and stomp our feet to the amount on the heart shape. Heart hopscotch and musical chairs will keep us moving.

Valentine Party: February 14th.

Please label each valentine "classmate" or "friend". There are 16 total students.
