

Toddler Times

Feb. 19-23 Week 28

Theme: Music

This week will be a loud and exciting week as we learn about different types of instruments and play around with sound. Music toys will be a hit this week along with some homemade instruments. Pots and pans will even make noise in our circle time band! We'll learn about loud and quiet sounds and play with our voices as we sing high and low and make our bodies go up and down.

We'll have a tapping good time in art class as we drum paint with popsicle sticks. Jingle bell painting will have music ringing. Xylophone painting will help us mix colors to make new ones.

Rhythm sticks will help us tap and count 1,2,3. Please let Mrs. Jackie and Mrs. Ann know what your little ones favorite song is at home and we will be sure to sing it at school this week.

Reminders – February 19th -Parent Phone Conferences. Mrs. Jackie looks forward to speaking with each and every one of you.

Registration is now open to the public. Have you secured your spot for summer and fall?
