March 11-15, 2024**

Theme:
Weather

Introduction:
Shape: Rhombus

Language:
This week, the children will learn about the different types of weather. We will be talking about the different seasons and what type of clothing we should wear during specific weather. We will sing some songs and read a new book called: *Hello World! By Jill McDonald*.

Concept:
The children will continue to work on shelf jobs as well as taking apart puzzles and putting them back together. Our new shape rhombus will also be introduced.

Art:
The children will get creative and make several art projects that go along with our theme. Papers will also be done to reinforce our new shape rhombus.

Motor:
During our motor time, the children will have fun getting on the rocking boat, crawling through the tunnel and pushing the riding toys. We will also go outside and get some fresh air.

Have a great week!
