**CONCEPT:** This week the children will use farm pattern cards and farm counters. In Science, the children will be talking about what kinds of animals they would see on a farm and the different kinds of farms we might visit. If your child has any farm animals they would like to put on our Science table, they may bring them in to share. Be sure they are labeled with your child's name.

"Take me out to the Barnyard"  
(Tune: "Take me out to the Ballgame")

Take me out to the barnyard,  
Take me out there right now!  
Show me the cows, pigs and horses too  
I hear an oink and a neigh and a moo.  
There are chickens laying their eggs  
If they don't lay, it's a shame  
Oh, it's one, two, three eggs today  
And I'm glad I came.
