

THEME: Farm

Our Dr. Seuss week was a lot of fun! The children thoroughly enjoyed all of the stories and fun activities!

For the next two weeks, we will discuss how a farm is not only a place for animals, but for crops as well.

Craft and Writing

The children are writing on printing paper every day. This week, the children will start correcting the wacky sentence that is written on the board. This skill will make them better readers and writers. St. Patrick's Day and Spring projects will decorate our classroom. Also, look for farm animal crafts to be heading home during these two weeks.

Math & Science

We will continue to review the coins in our money bank; penny and nickel along with fractions, and telling time..

In Science, we will discuss the many characteristics of farm animals and their job on the farm.

Language

The next two weeks the children will learn about the r blends; *br, cr, dr, fr, gr,pr, and tr..* The children will begin to learn how books are created. The author, illustrator, title, character and setting of a book and how it is all put together.

Important Info

Spring Break March 25-29 Center closed to children who attend the morning session only. Classes will resume April 1.

Employment Opportunities

Spread the word!! We are looking for a teacher and a teacher's aide for both summer and fall. Child care benefits are offered. If you or someone you know is interested please give Paula or Geri a call at 815/469-2627.
