**Theme:** Reptiles

**Introductions:** Story #11

**Story Words:** My, my, Big, Boat, boat, Blue, blue

**Language:**

For our theme of reptiles, the children will learn the difference between reptiles and mammals. We will also learn how they live, sleep and what they eat. Please help us with our theme by bringing in theme related books and pictures of reptiles.

Our daily review will include the letters Aa through Zz for letter recognition and phonetic sounds. The children will continue to work on rhyming words and they will work on the reading story that they are currently on.

**Concept:**

This week we will be working on a compare and contrast activity using a sand shovel vs a spoon and a snow hat vs a baseball cap. The children will also work on greater than/less than and the mystery bag. To help reinforce our numbers we will be playing number bingo.

**Craft & Writing:**

The children will work on art projects and papers to reinforce our theme of reptiles and papers to review our color words and shapes. We will also work on printing our numbers, matching opposites, rhyming and counting papers.

**Motor:**

This week the children will be working on their balancing skills as they walk the balance beam and use the balance board. We will also be using the rocking boat and we will have scooter races.

**Show-N-tell:**

Wednesday, March 6<sup>th</sup>

Your child may bring in ONE item that goes along with our theme of reptiles. This item must fit into a gallon zip lock bag, that is labeled with your child's name.

**A Silly Slippery Snake**

(Tune of: "If you're happy and you know it")

Oh, I wish I was a silly, slippery snake.  
Oh, I wish I was a silly, slippery snake.  
Oh, I'd slither across the floor,  
And I'd slip under the door.  
Oh, I wish I was a silly, slippery snake.

**Have a great week!**
