Pre-K News  
April 1 - 5, 2024

**Theme:** Insects/Spiders

**Introductions:** Review

**Language:**

We will learn how insects live, what they eat and which ones fly and other interesting facts about the differences of insects and spiders.

Along with our daily review, we will listen to stories about insects and the flannel board story "The Very Hungry Caterpillar" will be done.

Show-n-tell will be on Wednesday, April 3<sup>rd</sup>. Please bring in on item that goes along with our theme of insects/spiders. Your child's item must be able to fit into a gallon zip lock bag.

**Concept:**

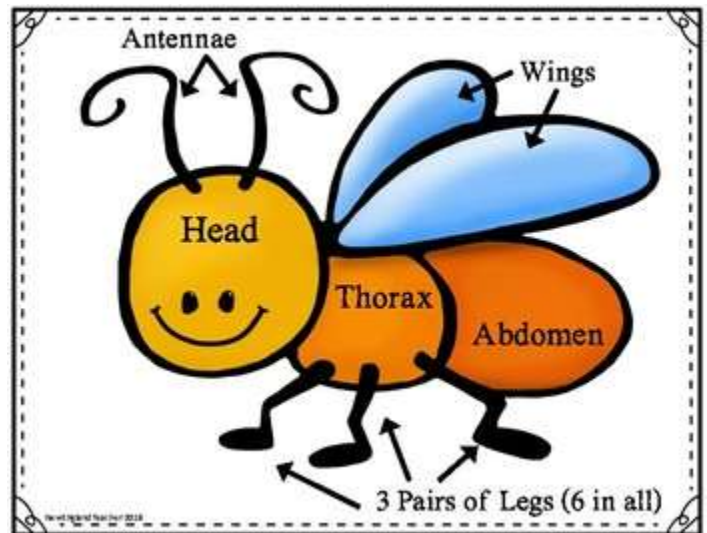

This week we will be looking at and comparing different types of insects. We will play an insect matching game, we will have a group activity to review our numbers and we will also work on an estimation activity. If the weather permits we will go outside on a bug hunt.

**Craft & Writing:**

This week we will work on papers and projects that will reinforce our theme of insects. We will also work on letter matching, following directions and a paper that focuses on beginning letter sounds. As always, we will continue to practice our cutting and printing.

**Motor:**

The children will be playing "Hot Potato" and "Simon Says". With the weather getting warmer, please remember that your child needs gym shoes for outside play time.

**Have a great week!**
