

# News at Noonan in Mrs. Laura's VPK Class

**What's happening this week?**

**3/11– 3/15.**

Theme : Reptiles

Intro: Ww Xx and Addition

## Craft and Writing

This week we will be continuing work on printing letters Ww and Xx. The children struggled a little with "crossing" the X. If you can help them practice that at home that would be helpful! We will also work more on our addition with our dry erase boards.

Reptile week wouldn't be complete without a fun craft! We as a class will vote on which animal we will create together.

## Motor

Ball and wand, silly songs dancing

## Notes

**REMINDER: NO VPK**

**MARCH 15th– MARCH 22ND**

**HAVE A GREAT SPRING BREAK!**

**NO SHOW AND TELL THIS WEEK :)**

## Concept

We have been playing some intense games of Around the World in class. I am holding up numbers and each child says the number so I can move to the next child going around the circle until we get them all correct. It's a lot of fun! We will continue with addition this week moving up to adding 3.

I will pull out the clocks for a review on telling time by the hour.

We will also be exploring the science shelf and looking for some reptiles!

## Language Arts

This week we will be focusing a lot on letter recognition and matching the sounds. I have my phonics cvc game to help us with that. We have to find the missing letters to three letter words.

We will read some fun reptile stories and talk about the differences between mammals and reptiles.
