Weeks of 3/11 & 3/18

Theme: Spring/Easter

Our Easter party will be on Wednesday, March 20.

There are 13 children in our class

Happy Birthday Seema Almaaytah 3/18 & Gianna Hernandez 3/22!

Concept: Welcome Spring!! To bring in the new season we will be doing a lot of fun activities. We'll look at spring items in our science bin. This week we will be playing a seriation game with raindrops and one to one correspondence with umbrellas to people and birds to nests. We will also count Easter eggs in a basket.

Motor: We will get our bodies moving when we jump through hula hoops , use the stair steps, and playing a game called "puddle jumping."

Language Arts: Spring is here, hooray! Everyone get your umbrellas ready for a shower of language arts! We will read *We're Going On A Nature Hunt* and *Grow It*. Of course, we can't forget the new finger play we will learn called "Five Little Ducks," and a flannel board story " Little Bunny Foo Foo."

Art: We are going to have fun with spring art projects. Of course we will be doing flowers and raindrops, but there is so much more to choose from – bugs, butterflies, and worms!
