

Lockport Junior Newsletter

Week # 31 March 11–15, 2024

Ocean

INTRODUCING: Qq, Rr, pink, white

LANGUAGE:

We will be diving deep into the ocean blue to learn and discover the beautiful and sometimes scary sea creatures. There is so much to explore! We have many songs and stories to help us with this fun topic. We will role play and learn some new flannel board stories.

We will also discuss St. Patrick's Day and learn about leprechauns. On Friday, we will have fun searching for gold!

CONCEPT:

We are going to add many new ocean/sea creature jobs to the shelves. The letters Qq and Rr will be added as well. The children will learn about the characteristics of a fish vs. a mammal. We will introduce to the children how to count by 2's. Lastly, we will play a group activity called, "What doesn't belong?".

During science, the children will get to experience a fizzing gold coin experiment.

CRAFT AND WRITING:

We will work on writing the letters Qq and Rr along with some phonetic papers. The colors pink and white will be used through out the week. We may even use pink and white play dough. And the week would not be complete without a St. Patrick's craft and some ocean crafts!

PARENT NOTES:

Happy birthday to Finnleigh!

Star Student is Kennedy!

Wear green on Friday for St. Patrick's Day.

Soccer Shots free demo day is on Thursday 3/14.

Friday, March 22 is our Spring-Easter-Bonnet Parade fun day!

Please let us know if your child is attending Spring Break.
