Week 32 March 18—22, 2024

Ocean and Easter

INTRODUCING: Ss
Tt

LANGUAGE:

We will be busy finishing up our ocean theme. We will also prepare for our Spring/Easter party. We will listen to stories and learn finger plays that go along with the themes. The letters Ss and Tt will be introduced along with their sounds. We will add these letter pictures to the 'A' is for Amos song we sing daily.

CONCEPT:

Lots of exciting activities will be happening in the concept area. The children will continue to count and sort ocean creatures. We will work on patterning skills using Easter eggs. At the science table, the children will weigh eggs and sort sea shells and rocks. We are getting close to the end of the alphabet. The letters Ss and Tt will be added to the shelf this week.

CRAFT AND WRITING:

Ss and Tt printing and readiness papers will be done this week. We have a few more ocean projects to complete along with some spring crafts. We will work on counting objects and tracing some numbers.

Ask your children to sing their "Color Song". You are in for a treat if they do!

PARENT NOTES:

On Friday, the children are going to have a fun party day as we learn about spring and Easter. The Easter bunny may appear and the children will get to go on an egg hunt.

REMINDER: At 11:30 the children will display their bonnets/hats for the parade!

The week of March 25—29 is for day care children only.
