

Lockport Nursery Newsletter

Weeks 31 & 32 March 11 to March 22, 2024

Transportation and things that go!

We are going to review what we have learned so far this year.

LANGUAGE:

There are so many ways that we are going to travel over the next two weeks as we learn and discuss **TRANSPORTATION!** We will focus on cars, trucks, air planes, trains and boats. We have a fun school bus review game to play. We will look at pictures of various forms of transportation. Our featured song this week is "Little Red Wagon". We will learn the word and use instruments.

We also have a special visitor flight attendant coming to talk to the children about flying on an airplane.

CONCEPT:

We are going to be very busy in concept. There are so many activities to do with transportation. We will sort forms of transportation into what floats, flies and is on the ground. Using the water table, the children will get to see how boats float and why other items sink. We will also have car races to see how fast things can go.

As always, the children will sing the days of the week, the months of the year and count to 20 daily.

CRAFT AND WRITING:

Have you ever painted with a car? The children will get to use the wheels of cars to paint! We will make our very own cars using different material. Lastly, the children will each get a paper airplane.

PARENT NOTES:

Happy birthday to Jasiah!

Happy birthday to Owen B!

We will have a small St. Patrick's Day celebration. Do not forget to send your child to school wearing green!

Our Easter—Spring—Bonnet Parade day is Friday, March 22.

Spring break is the week of March 25—29, 2024. Please let us know if your child is attending.
