

# Lockport Nursery Newsletter

Weeks 34 & 35 April 1- 12, 2024

Spring Time

INTRODUCING: Ee, 7 & 8

## LANGUAGE:

**Welcome to Spring! For the next 2 weeks, the boys and girls will get to see all the beautiful changes that take place in the spring. There is so much to explore! We will play a daily review game called flower power. We will listen to books and songs regarding the new season and enjoy a flannel board story. We also have many pictures to enjoy of flowers, rainy days, trees blooming and more!**

**The letter Ee will be added to the 'A' is for Amos song.**

## CONCEPT:

We are going to have so much fun in science as the children get to go outside and explore. We will be on the look out for signs of spring. We will observe bugs, buds blooming, bird nests and hopefully feel warmer weather. We are going to learn the parts of a flower and try planting our own. We will be adding water to dirt to see what happens. The children will be allowed to feel and play with the mud!

## CRAFT AND WRITING:

These are the perfect weeks to reinforce all the colors of the rainbow. The children will get to create projects using these colors. Butterflies, flowers and rain drop sun catchers will be made. We are practicing very hard holding our crayons and pencils correctly.

## PARENT NOTES:

Spring pictures will be held on April 18 and 19. More details will be followed as the day gets closer.

We want to thank you for all you do for our school! Your dedication is appreciated.
