

Lockport Pre-Kindergarten Newsletter

Weeks 31 & 31 March 11–22

Spring and Things!

INTRODUCING: Counting by 5's

Proverb: A place for everything, and everything in its place.

LANGUAGE:

Over the next two weeks, the children are going to learn all things spring! We will read books about St. Patrick's Day, Easter and of course, spring. May fingerplays, flannel boards and songs will be done. We will also review the proverbs that we have learned so far this year and introduce a new one (see above)!

CONCEPT:

During concept the children are going to embrace everything spring! We will go outside and discuss what is happening with the weather and environment. We will add spring like jobs to the shelves. Some fun activities include Easter egg matching and stacking. The children will measure distance and height using gold coins.

Science time will include a fizzing magical leprechaun rock. I wonder what will happen?

CRAFT AND WRITING:

We are going to work on spring readiness papers. We are trying hard to follow directions the first time that they are given. We have a patterning paper to be done as well.

The children will enjoy creating many St. Patrick's Day, Easter and spring projects.

PARENT NOTES:

Soccer Shots free demo day is on Thursday, 3/14.

We will have a small St. Patrick's Day celebration. Do not forget to send your child to school wearing green!

Our Easter—Spring—Bonnet Parade day is Friday, March 22.
