

Lockport Pre-Kindergarten News

Week #34 April 1–5, 2024

REVIEW

This week we are going to go over everything that we have learned so far this year. There will be nothing introduced.

LANGUAGE AND READING:

During language this week we are going to review all of our letters, both upper and lower case along with the sounds that they make. We will spend time on the reading stories we have learned. The children will have an opportunity to play off the language shelves and we will also play many letter and sound games.

Lastly, we will work on quiet time in the library.

CONCEPT:

The children will work on the jobs each day along with stations. We will play group activities like BINGO and some matching games. We will take turns doing puzzles and working as a team. Every day the calendar will be done, months of the year, days of the week and counting to 100. We will also practice counting by 5's and 10's.

CRAFT AND WRITING:

Number and letter readiness papers will be done this week. The children will also work on following direction readiness papers. To help strengthen our fine motor muscles, the children will use scissors and play dough.

Throughout the week we will also get a chance to use various supplies and art material to create some masterpieces!

PARENT NOTES:

We will begin an Embryology Unit on April 10.

On April 18 & 19, we will offer Spring pictures. We will have the exact day for your child when it gets a little closer.

Thank you for all your hard work with your children at home! We appreciate you!
